# ABOUT US

**City Rubber Trading Establishment** was established in 2004 and headquartered in Abu Dhabi, United Arab Emirates. The company's principal activity was import and export trading of rubber flooring materials. Over the years, we have significantly expanded our scope of works and offer a wide- range of services in providing a high-quality of products in sports flooring solutions such as indoor & outdoor multipurpose courts, gymnasiums, schools, athletic tracks, playground safety flooring, swimming pool, equine flooring, football pitches, decorative landscaping & sports equipment.

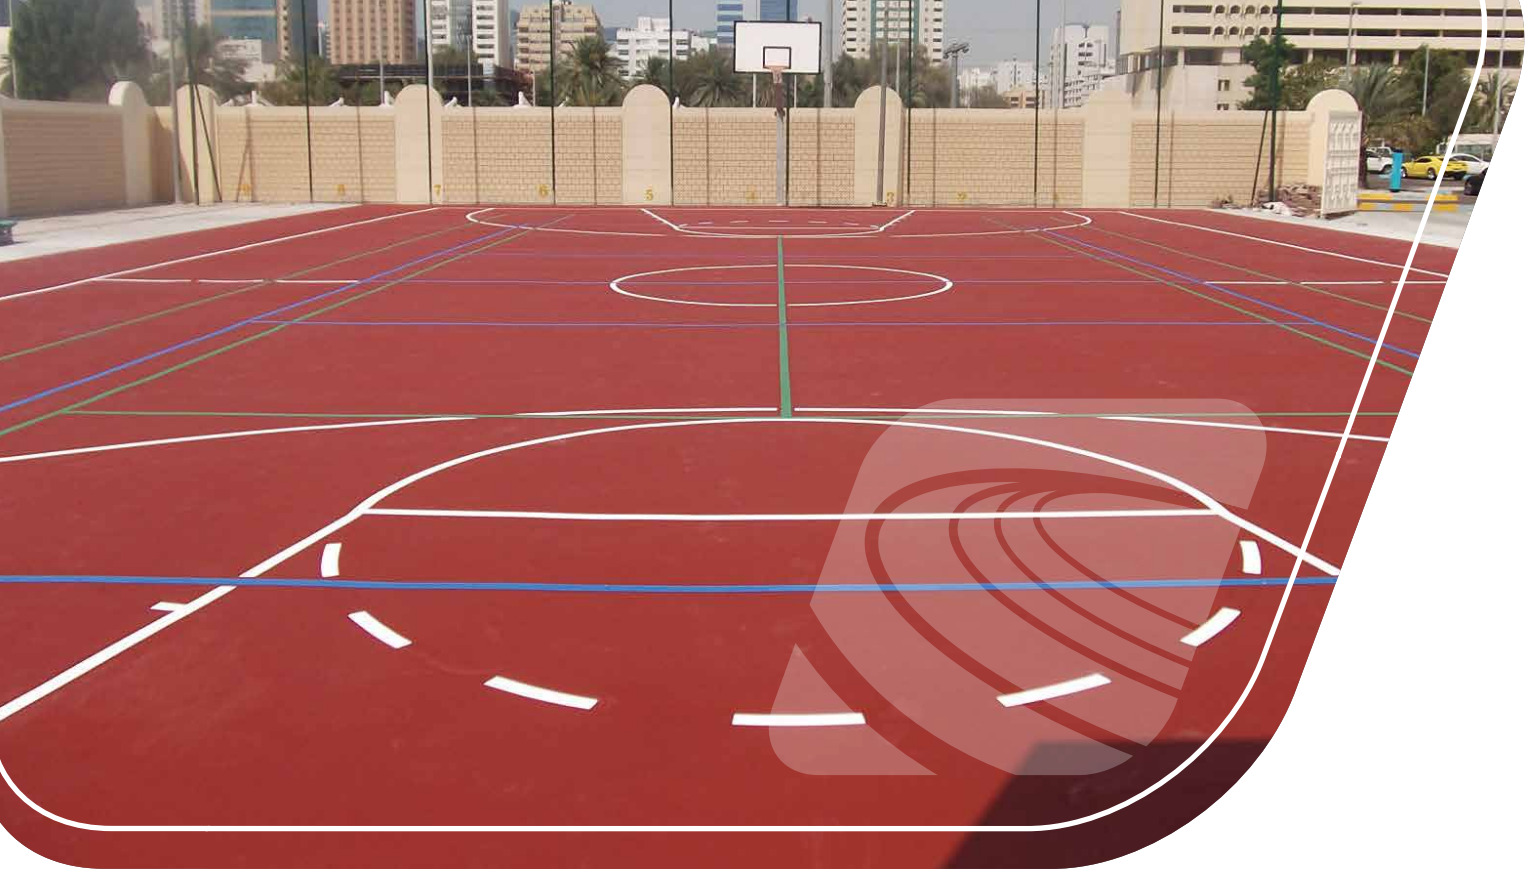

City Rubber specialized in different variety of materials such as Polyurethane, Safety Elastic Rubber Tiles, Acrylic, Wet-Pour/Cast-in-Situ, and Vinyl. We also offer EPDM that can create numerous designs and patterns in a variety of colors. They provide smooth, flexible and comfortable and anti- skid qualities which helps prevent slipping and injury.

For more than a decade, we have been recognized and trusted by major companies across UAE and other GCC countries providing them with high quality of services with the latest wide range of products at a very competitive cost. We are also associated with the best suppliers in Europe and Asia that provides ideal solutions for various application and offering guarantees for products recommended and services provided.

City Rubber is committed to supplying products and installation of the highest quality and we hope for your satisfaction with all our services.

# OUR CERTIFICATES

# SURFACE TYPE

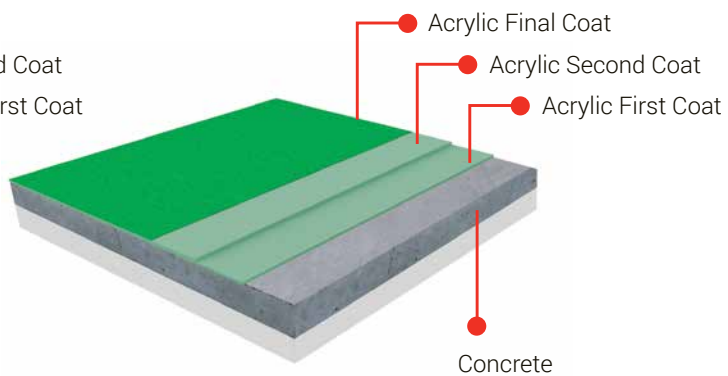

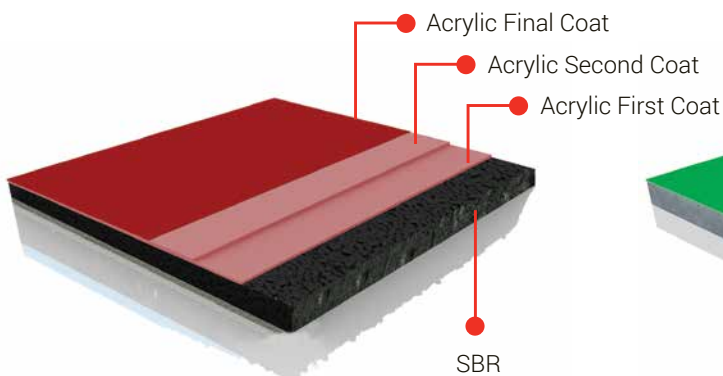

ACRYLIC

This type is an acrylic paint material of a multi-layered which is used in sports athletic tracks, school playgrounds and outdoor multipurpose courts. ITF (International Tennis Federation) certified.

الأكريليك

## نوع السطح

هذا النوع عبارة عن تلوين من مادة الأكريليك متعدد الطبقات الذي يستخدم في المسارات الرياضية وساحات اللعب والملاعب الخارجية متعددة الاستخدامات وهو مطابق لمعايير الأداء الموضوعة من قبل الاتحاد الدولي للتنس (ITF).
